

Hall Middle School Open House

May 22, 2008

7:00 - 8:30

Welcome to Hall Middle School Open House for the 2007-2008 school year. Open House provides an overview of programs and projects, as well as an opportunity to get a flavor of some of the exciting things happening at Hall this year. Teachers will be in their classrooms to share student work and answer your questions about their program and the activities that students have engaged in this year.

In order to help the night run smoothly, we ask for your cooperation.

- Please keep your children with you throughout the evening.
- Remember that this evening is meant as a forum to display student work and that time does not allow for one-on-one teacher conferencing. Be courteous of other parents and arrange for a conference at a later date, if necessary.

Timeline of Time-Specific Events

- 7:00 - 8:30** Classrooms and Library Open (see back of sheet for room-specific activities)
